

The flame  
of my love  
will burn for  
eternity...

Just you  
wait, big  
sister...

If I borrow  
one from  
here...

Lizard tail  
for lizard  
scales...  
hm,

This Rarie  
chick is  
making  
weird  
drugs  
again.

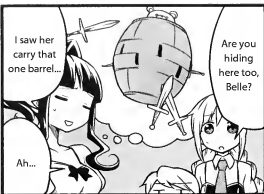

She better  
not burn  
physically  
before  
the flames  
of love  
though...

With  
this drug,  
you and  
I will be  
a lovey-  
dovey  
couple...

Heheheh,  
this time  
I'll be  
success-  
ful for  
sure.

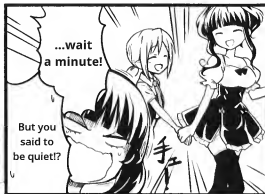

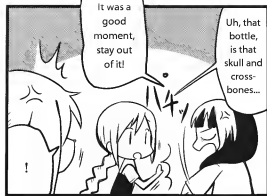

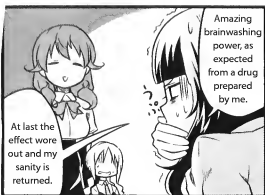

38 Person with an interest in hide-and-seek

Amazing brainwashing power, as expected from a drug prepared by me.

At last the effect wore out and my sanity is returned.

remember it until we meet again!

I told you, Chisato!

Is this a declaration of war or something?!

Because my drug supplies ran out, I'm withdrawing for now, but

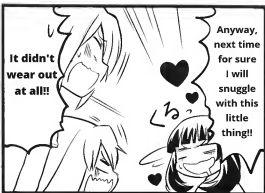

Rarie, you look dizzy!

Are you alright?!

Next time for sure onee-chan's heart will be...

Alright... The drug has already worn out...

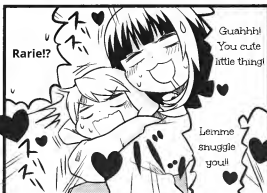

It didn't wear out at all!!!

Anyway, next time for sure I will snuggle with this little thing!!

She calmed down.

Rarie?!

Guahhh! You cute little thing!

Lemme snuggle you!!

Suddenly doing stuff like that, what are you, a complete pervert?!

What the hell!?

It's bad!?

So what if I am!?
